RE: Supplemental Response to POA Information Request dated August 1, 2016

Dear Gregg:

Pursuant to our discussions at our contract negotiation session on August 3, 2016, below is our supplemental response to the POA's information request dated August 1, 2016:

4. Academy class sizes for all police academies between 1990 and 1996.

We were unable to obtain information responsive to this request.

6. All police department staffing projections since 2013.

Below please find links to a City Council memorandum and presentation provided by the Police Department on November 18, 2014, that may be responsive to this request:
